## FASHION PLAYTES

where girls are fashion designers

### Fashion Playtes

A personal and interactive gift idea for girls ages 5-12. Girls can log on to their website to design their own clothes, order them, and have them shipped to their doorstep.

Parents can sit side-by-side with their daughters and help them create their own, one-of-a-kind wearable fashions, building self-esteem and confidence in the process. Prices vary. Use code **livingtampa10** for 10% off \$25 or more. [Fashionplaytes.com](http://Fashionplaytes.com)

### Made to Order Chocolate Bars

Have some fun making a custom chocolate bar for someone on your list. At their site you first select a base Belgian chocolate (dark, milk, white) and then add up to five ingredients from their list of over 100. Go traditional with nuts or get crazy with crystallized rose petals or 23 karat gold flakes. Around \$5 depending on ingredients. Bulk orders for parties or weddings. ### Inspired Gifts

This website offers a little more than a place to make a keepsake photo book. With inspirational quotes and meaningful templates, creating an inspired gift is much easier. Also make calendars that send a message of love each month or create a wall poster using your own photo along with an inspirational quote. Prices vary. [InspiredGifts.com](http://InspiredGifts.com)

### A Personal Masterpiece

This unique online service turns any photo into a work of art by creating amazing, high-quality artwork of family, friends, pets and more. The pieces are created by actual artists, not just computer software. Upload photo and pick from oil painting, pencil sketch, Lichtenstein style, watercolor and more. Takes about a week and is a pretty good value starting at \$45. Framing is available too. [GiveaMasterpiece.com](http://GiveaMasterpiece.com)

### Grandma's Chicken Soup

What do you get the hard-to-buy-for friend who lives up in snow country? Or maybe your favorite aunt has a bad cold during the holidays? Send delicious homemade chicken noodle soup. The Original soup package arrives still partially frozen in a wrapped basket that also has a soup mug, spoon and crackers. A very thoughtful gift of warmth and comfort. Soup alone is \$29.95 for a half gallon. Many other gifts available to go with the soup. [GrandmasChickenSoup.com](http://GrandmasChickenSoup.com)
